

# 2021

## Philmont Participant Code of Conduct:

To ensure a healthy Philmont experience for everyone I will:

- Undergo a pre-trek medical screening and ensure I have all needed medications and that they are in-date.
- Understand the signs and symptoms of COVID-19 and truthfully report to my crew advisor if I or anyone in my family is exhibiting those symptoms.
- Check on my fellow crew members if I suspect they are not feeling well.
- Wear a cloth face-covering whenever I am around people other than my Philmont crew.
- Wash my hands with soap and water as often as I can especially before eating and after using the restroom or being in public spaces. Use an alcohol hand sanitizer when soap and water are not available.
- Cover my mouth and nose with a tissue or your elbow when I cough or sneeze and wash my hands afterward.
- Avoid shaking hands, embrace the elbow bump.
- Avoid sharing food, gear, or water bottles.
- Keep a distance between my crew and other crews while at camp and on the trail.

Please sign and submit this form during the check-in process upon your arrival to Philmont.
