# National Advanced Youth Leadership Experience

Philmont Training Center • 17 Deer Run Road • Cimarron, NM 87714 • 575-376-2281

Welcome to NAYLE!

The National Advanced Youth Leadership Experience (NAYLE) is the ultimate training experience for youth leaders. NAYLE will equip you to be a better unit leader, NYLT staff member, and camp staff member. The course is designed to provide you with a Philmont based wilderness experience that motivates you to follow a life of servant leadership based on the values of Scouting.

The NAYLE program is conducted for older Scouts, both young men and women who have already completed National Youth Leadership Training. You will hone your skills in a team setting at Rayado Ridge Leadership Camp, one of Philmont's backcountry camps focused solely on leadership development. You will use NYLT leadership skills to resolve exciting and challenging backcountry situations. The week will conclude with a closing challenge for you to build upon the legacy of Waite Phillips, the benefactor of Philmont Scout Ranch.

This guidebook is intended to answer questions you may have about your NAYLE experience. Please review the information and share it with your family and unit leader. Included on the following page is a checklist that you must complete before leaving for Philmont!

We are excited that you are among the select youth who participate in one of Philmont's and the Boy Scouts of America's outstanding programs.

Sincerely,

Philmont Training Center Staff

However, we highly recommend your parents and family stay at the Philmont Training Center during your NAYLE week. They will have exciting opportunities for training and Family Adventures while you are honing your leadership skills! For more information on Training Center programs, please visit

<https://www.philmontscoutranch.org/ptc/>

## Transportation

Airport shuttle services from the Albuquerque, Denver, and Colorado Springs Airports are available for NAYLE participants. Shuttle times vary based on airport.

Philmont has arranged with Blue Sky Adventures to provide special handling or transfers from the airplane to the bus for those arriving at the Albuquerque International Airport (ABQ). Blue Sky Adventures will have flight information for all youth arriving and will help the youth make their way from the terminal to the bus. Please read the information that is available on the Albuquerque Airport Shuttle Service form.

The shuttle service from Denver (DIA) or Colorado Springs (COS) **will not** have the same transfer service at the airport, the shuttle servicing Denver and Colorado Springs cannot transport a Scout with "Unaccompanied Minor" airline status. It is up to the youth to make their way from the terminal to the shuttle bus at the scheduled time. Please read the information that is available on the Denver/Colorado Springs Shuttle Service form.

Philmont has an arranged shuttle service that will pick up and drop off from the Raton Train Station, serving both the Amtrak trains and Greyhound Bus Station. Please refer to the Raton Shuttle Service form for more information.

Upon program completion, faculty will help ensure participants make it onto their shuttle bus to head back to their transportation destination. Some shuttles leave Philmont as early as 6:00am.

Please refer to the "NAYLE Arrival & Departure Form" and the Airport and Train Shuttle Registration forms for details. If you are using a [shuttle](#), please submit the completed form and payment to Philmont Scout Ranch.

## **Program Cost**

The fee for the course is \$550, a nonrefundable \$250 deposit is due at the time of registration. Please see Philmont's [Cancellation Policy](#) for details of payment and cancellations. Lodging, meals, and course supplies are covered by this fee and begin at 9:00am on the first day of course going through 7:30am on the final course day.

## **Scholarships**

Scholarships are available for Philmont NAYLE participants. Information and deadlines are available on Philmont's [website](#).

## **Camp and Camp Living**

NAYLE living arrangements are much like council summer camps. NAYLE is a co-ed training experience. Team members may be male and female youth, with each team being responsible for preparing their daily meals. Sleeping quarters are in two-person wall tents with wooden platform floors. Separate tents will be used for male and female participants. Each participant is provided a cot and a mattress, you will need to bring your own sleeping bag and pillow.

Activities will be just that, ACTIVE! Teams spend most of the time outdoors. Showers and other conveniences are available in camp. An overnight backpacking trip is planned as part of the NAYLE program; Philmont will provide tents and backpacks if needed, with prior request. Electric charging capability is not available at Rayado Ridge.

## **Uniform**

The uniform is any official BSA Field Uniform (Scouts BSA khaki shirt, green pants (short or long) Scouts BSA socks, Scout belt or Venturing green shirt; official gray Venturing pants (short or long), Venturing socks and Scout belt with the normal insignia; the complete Sea Scout uniform is also appropriate. Non-official, substitute uniform parts including kilts, are not allowed. The activity uniform that is worn most of the time consists of a NAYLE cap and NAYLE T-shirt (provided by Philmont) and Scouts BSA or Venturing shorts/pants. There is no need for civilian clothes during the course. You should report to the Training Center in a complete field uniform on the first day of your course.

One pair of long pants is required for the NAYLE Conservation project during the course.

## **Spending Money**

You will have an opportunity to purchase a Philmont belt and NAYLE belt buckle during the course. You will also have an opportunity to visit the Tooth of Time Traders (trading post) during your stay at Philmont. Participants spend an average of \$75 at Philmont's trading posts on gear, souvenirs, and snacks. At Rayado Ridge's Trading Post, only cash is accepted due to its location in the backcountry. At the Tooth of Time Traders in Base Camp, cash, check, and credit card are all accepted.

## **Special Meals & Dietary Restrictions**

Philmont is not able to accommodate special dietary needs in the backcountry, including Rayado Ridge. If such meals are necessary, you must provide your own food. Please discuss any special meal needs with your Course Director prior to arriving at Philmont. He/she will provide you with the menu and contents of the menu so that you can plan any substitutions. This includes special dietary foods such as those who are gluten intolerant or vegetarians.

## **Medical Form**

All participants of the NAYLE program must be in good physical condition and able to backpack. A current BSA National Health & Medical Form, Parts A, B & C is required. Please pay special attention to the Height and Weight limits; all participants must meet these requirements - you will be checked when you arrive. If you do not meet the height and weight requirements, you will be sent home at your expense. Per BSA policy, all medical forms must have a doctor's and parent/guardian's signature and be less than one year old. Please attach a copy of your insurance card to your completed form. Hand carry your medical form - **do not mail it!** Your medical form will be returned to you at the end of your course.

## **Your Mailing Address at Philmont**

Mail must be properly addressed for delivery. Bring stamps and stamped postcards. Mail is delivered every day except Sunday. Outgoing mail is collected every day. Please address as follows:

Philmont's summer 24-hour service number is 575-376-2281. The caller will need to tell the Philmont operator your name, that you are attending NAYLE, and the message or number for you to call. The information will be relayed to you as soon as possible. If you bring a cell phone to Rayado Ridge: cell phone service is minimal, there is no charging capability, and its usage cannot interfere with the course experience. **Use of electronic devices is strongly discouraged during NAYLE.**

## Personal Equipment List

To help you plan and prepare your personal gear for the NAYLE, please note the following:

1. You will spend five nights at Rayado Ridge Leadership Camp (RRLC) and one night at a backcountry campsite.
2. At RRLC, you will sleep in a two-person wall tent. The tents are on platforms and have cots with mattresses. At the backcountry site, you will sleep on the ground in two-person backpacking tents, a sleeping pad is highly recommended on the overnighiter. Philmont will supply tents. You may bring your own two-person backpacking tent for use in the backcountry; however, you will be required to share your tent with another person.
3. NAYLE is a co-ed training experience. You may be in a co-ed campsite. Separate tents for male and female participants will be provided.
4. When you arrive at RRLC, you will walk from the road to your campsite, one-half (.5) mile away. You will need to carry all your gear in one trip. Due to the rocky terrain, rolling bags are challenging; backpacks are the best method for carrying your clothes and gear; a backpack may be borrowed (with prior arrangement before the course) during check-in.
5. Your NAYLE experience involves a one-night backpacking trip. The hike will involve approximately three miles one way, starting at about 6,500 feet, with an elevation gain of about 375 feet. On this trip you will carry your personal gear plus your share of crew gear. Physical conditioning prior to the course is strongly encouraged.
6. You may have an opportunity to climb the Tooth of Time which is 9,003 feet in elevation.
7. Rain is always a possibility and evenings can be very cool. Be Prepared!
8. Philmont is bear country and precautions must be taken to avoid attracting bears to the campsites. All items that have an odor (smellables) are stored in an appropriate manner and containers. You should bring a stuff sack, small container, or large Ziploc bag in which to store these items. A thorough briefing on bear safety and smellables will be provided on the first day of the course.
9. You will always wear either an official Scouts BSA field uniform (Scouts BSA or Venturing) for your program area or a BSA activity uniform during the course. A field uniform includes the official Scouts BSA or official Venturing uniform shirt and insignia; official Scouts BSA or official Venturing shorts or long pants, official Scouts BSA or official Venturing socks and a Scout belt. The official Sea Scout blue uniform is also appropriate. An activity uniform is the same as your field uniform except you will wear the NAYLE T-shirt instead of your uniform shirt. Only official uniform parts are allowed - no substitutions are permitted! Kilts are not allowed! The NAYLE cap is part of the uniform.
10. Long pants are required for the Conservation project during the NAYLE program.
11. Your course fee includes 2 NAYLE T-shirts and a NAYLE cap. Additional T-shirts will be available for purchase. You will also have an opportunity to purchase a NAYLE belt buckle, Philmont belt, and NAYLE fleece jacket.
12. There is no opportunity to do laundry during the course.
13. You may bring your cell phone to RRLC for use in emergencies. However, there may not be cellular service and charging facilities are not available.
