-- Bob Hopper, Scout Executive, Mid-Iowa Council

Beautiful outdoor experience with excellent staff to build or strengthen relationships.

-- Drew Glassford, BSA Foundation

A great opportunity to develop volunteer relations.

-- Rene Monarez, Scout Exec., Cornhusker Council

As a result of our attendance each member of our group has identified multiple projects and ways they can benefit Scouting in our council. Their efforts will result in better program, financing, and opportunities in our council for boys and girls, so it was a big WIN for us. I look forward to next year's event already. Thanks!

-- Andy Price, Scout Executive, Golden Spread Council

It was a great time to build strong relationships with board members & friends of the council.

-- Mark Turner, Scout Exec., Mecklenburg County Council
